## FINE FOOTWEAR FOR CHRISTMAS

To make one at peace with the world, hence in the condition for absorbing and transmitting Christmas cheer, there is nothing more necessary than being well shod. Most people know this, hence a shoe store is as good a Christmas tree as any other emporium. The shoe stores of Honolulu, by the way, are equal if not superior to the stores in any other line of merchandising. Each has come to be specialized in a particular line of goods and styles with the shoe stores of any other city. Business so far is ahead of last year's at this season," said W. H. McInerney, this morning, "and we have a much larger stock of goods. There is a new run on ladies' houndie slippers also going well. We always have a large run on these goods at Christmas."

"In the general run of our footwear there is something to suit all demands, with everything up-to-date, as I have just returned from a buying trip to the mainland, where I personally selected a complete range of goods to suit every class of our custom. "We are giving away these little souvenirs with all purchases," said Mr. McInerney, pointing to a layout of miniature shoes. "They may be used for ash trays, pin boxes, or like conveniences, and there is no advertisement on them."

"This store will keep open evenings, beginning with Saturday before Christmas."

McInerney's is one of the pioneer shoe stores of the city. M. McInerney, founder of the business of M. McInerney, Ltd., having specialized shoe importing long before the establishment of the special store for this branch. Under the management of W. H. McInerney, the store finely maintains the traditions of the business for honest goods.

There will be a short entertainment at the Honolulu School for Boys on Monday evening at seven o'clock, to which parents and those interested in the school are cordially invited. The program will include Christmas scenes, folk dancing, living statuary and a farce by the glee club. No formal invitations have been issued.

### AVOID POISONOUS TABLETS

No woman should purchase an antiseptic or germicide, in tablet, liquid or powder form, which contains any poisons. Follow your physician's advice and specify Tyree's Antiseptic Powder, because it is absolutely harmless and positive in its results. Tyree's Antiseptic Powder heals diseased tissues, prevents infection, unexcelled as a douche and is highly efficacious as a general antiseptic for the household. One 25-cent package makes two gallons standard solution. Sold by druggists everywhere. Send for booklet and free sample. J. S. Tyree, Chemist, Washington, D. C.
